

1950

Annual Report
ASHLAND
New Hampshire

YEAR ENDING
December 31, 1950

University of New Hampshire
Library

ST. MARK'S

This is your 1950 Annual Report . . . A brief description of the dividends which you, as a stockholder in government, have received . . .

The success of Ashland's government, or of any government, depends in large part upon the interest and vigor which the citizen displays . . . your local government is not an intangible "something" . . . you use it every day in a hundred different ways . . .

Apathy, lack of interest, detached destructive criticism—these are the trademarks of those who would unwittingly destroy Democracy . . . learn to know your government, keep informed, and make known your thoughtful suggestions for its improvement . . .

ANNUAL REPORT
OF THE
OFFICERS
OF THE
Town of Ashland, N. H.

YEAR ENDING
December 31, 1950

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Ashland in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the High School Auditorium in said Ashland on Tuesday, the 13th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will approve and adopt the recommendation of the Budget Committee and raise and appropriate the sum of \$87,989.67, the various sums contained in the report and listed in the Budget as follows:

a. For Town Officers' Salaries	\$5,625.00
b. For Town Officers' Expenses	3,215.00
c. For Election and Registration	340.00
d. For Municipal Court Expenses	150.00
e. For Town Buildings	1,800.00
f. For the Police Department	3,215.00
g. For the Fire Department	4,500.00
h. For Tree Care	500.00
i. For the Health Department	3,650.00
j. For Vital Statistics	10.00
k. For the Highway Department	12,000.00
l. For Street Resurfacing	2,000.00
m. For Town Road Aid	318.67
n. For the Town Library	1,000.00

o. For the Town Poor	1,800.00
p. For Old Age Assistance	4,500.00
q. For Patriotic Purposes	300.00
r. For the Booster Club	1,200.00
s. For Utilities	29,000.00
t. For the Lakes Region Association	216.00
u. For Interest	900.00
v. For New Highway Construction	3,000.00
w. For Sidewalk Construction	500.00
x. For Repair of Town Dam	300.00
y. For Sidewalk Snowplow	3,950.00
z. For Principal on Bonded Debt	4,000.00

3. To see if the Town of Ashland will vote to raise and appropriate the sum of \$11,500.00 for the extension of water mains on Thompson Street.

4. To see if the Town will vote to raise and appropriate annually the sum of \$500.00 to be deposited in a Capital Reserve Fund for the financing of all or part of the cost of a fire truck, all in accordance with the provisions of Sections 1 through 13, Chapter 160, N. H. Laws 1943.

5. To see if the Town will vote to deposit annually the sum of \$500.00 to a Capital Reserve Fund for the financing of all or part of future reconstruction of the electric light system. Said \$500.00 to be derived only from surplus collections of the electric department and no part of the amount to be raised by taxation. All in accordance with the provisions of Sections 1 through 13, Chapter 160, N. H. Laws, 1943.

6. To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$50,000 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town ne-

gotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected during the current municipal year.

7. To see if the Town will vote to approve the installation of water meters.

8. To see if the Town will authorize the Selectmen to sell, rent, lease or otherwise dispose of all or part of the so-called sawmill property on River Street.

9. Shall the provisions of Chapter 171-A of the Revised Laws relating to playing games of Beano be adopted in this town? (According to State Law this article will appear on the printed ballot).

10. To see if the Town will accept trust funds for cemetery care as recommended by the Town Trustees.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and fifty-one.

ALLEN K. OBER,
MAXIM R. LANDROCHE,

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

February 15, 1951

Board of Selectmen
Ashland, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Ashland for the fiscal year ended December 31, 1950, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen. Treasurer. Tax Collector. Town Clerk, Trustees of Trust Funds. Water and Electric Light Departments, Municipal Court and Library.

Financial Statements

Comparative Balance Sheets

Dec. 31, 1949 - Dec. 31, 1950: (Exhibit A)

Comparative Balance Sheets as of December 31, 1949 and December 31, 1950. are presented in Exhibit A. As indicated therein, the financial condition changed during the year from a Net Debt of \$7,844.25, to a Surplus of \$17,174.19.

**Analysis of Change in Financial Condition:
(Exhibit B)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Factors Affecting Decrease in Net Debt

Net Budget Surplus	\$ 20,938.64	
Bonds Matured & Paid	4,000.00	
Increase in Utilities' Treasurer's		
Cash on Hand	382.37	
Tax Collector's Excess Credit	35.90	
	<hr/>	\$25,356.91

Factors Affecting Increase in Net Debt

Decrease in Accounts Receivable	\$ 323.74	
Increase in Accounts Payable	14.43	
	<hr/>	\$ 338.17
Change in Financial Condition		<hr/> \$ 25,018.74

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1950, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$1,221.97, plus a net revenue surplus of \$19,716.67, resulted in a net budget surplus of \$20,938.64.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures (General Fund Account) for the fiscal year ended December 31, 1950, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of December 31, 1950, is indicated in Exhibit F.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

General Comments

Insurance Recovery:

During the year 1950 the Town received \$10,000.00 in insurance on account of the fire which destroyed the former municipal electric plant building. This accounts, in part, for the substantial revenue surplus of \$19,716-.67, as indicated by Exhibit D.

The insurance funds of \$10,000.00 are included in the Treasurer's general fund balance of \$41,130.89 on December 31, 1950, as shown in the balance sheet, Exhibit A. No offsetting liability will be set up for this account until such time as the town meeting may take appropriate action designating it for a specific purpose.

Municipal Water and Light Departments:

Inasmuch as the Town of Ashland has adopted the provisions of Chapter 52, of the Revised Laws of New Hampshire (the Municipal Budget Act), it is our opinion that an appropriation or appropriations should be included in the budget for the amount required for the operation of the Water and Light Departments. The anticipated revenue from these Departments should likewise be included in the budget as estimated revenue.

The Municipal Budget Act specifically states that any "expending agency" of a town is included under its provisions, therefore we believe that this recommendation should be adopted.

Added Taxes:

It is recommended that all taxes which are assessed subsequent to the commitment of the warrant to the Collector, should be listed on a separate page of the warrant book (preferably at the end of the regular list) headed "Added Taxes."

This will avoid the confusion which occurs if this procedure is not followed.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, Auditor
Hugh J. Cassidy, Accountant

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

February 15, 1951

Certificate of Audit

This is to certify that we have audited the accounts and records of the Town of Ashland for the fiscal year ended December 31, 1950; and, with exceptions as herein indicated, found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Town of Ashland and the results of operations for the fiscal year ended December 31, 1950.

Respectfully submitted.
HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, Auditor
Hugh J. Cassidy, Accountant

EXPENDITURES — 1940-1950

1950 — THE YEAR IN REVIEW

To most of us long columns of figures are so monotonous that we miss the story they are trying to tell—The story of what the town did in 1950. Here are some of the highlights of the past year, intended to help you to better understand the figures given in the reports and budget.

ADMINISTRATION:

The past year has been one of consolidation. With minor exceptions the thousand and one administrative details, such as organizing, planning, directing, record keeping, purchasing, bill collecting, public information and budgeting have been centralized in the office of the town manager. Consolidation has relieved the department heads of many petty details; improved cooperation between departments and lessened buck-passing by pinning responsibility to one man, the town manager. The accounting, bookkeeping and billing systems were modernized in many instances to provide more businesslike transactions and a stricter control of finances.

BILLS:

An ordinance was passed putting the collection of Water bills on an impartial, businesslike basis. This practice proved so effective that similar steps are being taken for the collection of light bills.

CIVIC:

The town was instrumental in establishing a badly needed Chamber of Commerce.

ELECTRIC DEPARTMENT:

Again the electric department showed a healthy profit at the year's end—more than \$10,000 for 1950. Listed as expenditures, but more justly termed "investment" was the sum of about \$8,000 spent for new construction, new equipment, new services and the rebuilding of worn out lines.

Greatly reducing the earned profits of this depart-

ment is the fact that it pays for all the current used in three town buildings, 4 schools buildings, library, Legion Home, ball park, skating rink and street lights.

FIRE DEPARTMENT:

The policy making duties of the fire wards were transferred to the Board of Selectmen, thus putting this department on the same basis as all other town departments. Upon the resignation of Mr. Carl Crowley, Mr. George T. Cote was appointed fire chief. Mr. Cote has been a member of the department for 14 years, and is also a State Fire Warden. During the year many small but important improvements were made: all fire hydrants were painted; a dangerous situation on the fire alarm control board was remedied; considerable small but badly needed equipment, such as, fire axes and hand lights were purchased; fire alarm inspection reports were initiated and a detailed fire record was started.

A thorough engineering survey of our fire protection facilities was completed by the New Hampshire Board of Underwriters. This report, the findings of which were unexpectedly good, sets goals for all future improvements of fire fighting facilities.

HIGHWAYS:

Competitive bids were received on the School Street project and the contract was awarded to Thibodeau Construction Company, low bidder. An underground storm sewer was laid, consisting of three catch basins and 525 feet of 12 inch pipe. A utility pole which interfered with traffic was moved to a new location. The parking lot was excavated, filled with a 6-inch gravel base and paved. The street surface was scarified, reshaped and graveled for a distance of 1200 feet. The final surface was treated with two heavy applications of tar. During the summer, the town undertook and completed the most extensive and ambitious resurfacing program in Ashland's history. More than 50% of the black top roads were surfaced,

treated and 900 gallons of cold patch was used in the more severely damaged spots. A long range resurfacing program is being initiated which will distribute the expense of this work evenly over the years and guarantee that all road will be resurfaced as needed.

Glove Street, known as a dust bowl in the summer and a mud hole for the rest of the year, was gravelled, graded and paved. The Roxy Heath road was almost completely rebuilt after a severe washout; the North Ashland road was completed with Town Road Aid funds; more than two miles of back roads were reshaped with a rented grader; the north end of Thompson Street was considerably widened in preparation for future construction; the shoulders of about five miles of roads were cleared of grass and brush; and a shovel loader was used to remove snow from the business district—this practice proved quicker, more efficient and more economical. New guard rails and guard rail posts were installed all over town. Street signs, guard rails and bridges were given a new coat of paint.

INSURANCE:

The whole town insurance program was completely reorganized. Coverage on town buildings was increased by \$20,500.

LAND AND BUILDINGS:

The town garage was remodeled at a cost of only \$36.00 to provide storage space for the Oshkosh truck during the winter months.

A houselot on Hill Street, owned by the town for years, was sold for \$150.00 at a public auction.

The town-owned sawmill was destroyed by a flash fire during the summer. The sum of \$10,000 insurance was collected for this loss. Following the fire the State Tax Commission authorized an emergency expenditure to clean up the area.

The red frame office building on the property was sold, while the old barn was razed.

NEW EQUIPMENT:

New equipment added included: new truck for highway department; new truck for electric department; sander for highway department; 7000-gallon ditch pump for water department; 300 feet of 2½ inch hose for the fire department, and a traffic line painter for police department.

OPEN DOOR POLICY:

Good government requires your whole-hearted support. Your support, however, should be based on a full knowledge of all the facts.

During the past year every effort has been made to keep you fully informed on all operations of the town government: a weekly newspaper column has made public the details of town business; the selectmen have met weekly to discuss your individual problems with you; and the town manager's office has been opened 46 hours a week during which time all records and books have been open for public inspection.

POLICE DEPARTMENT:

Over a period of eighteen months, Police Chief, Samuel Hodgdon has made only two arrests. At the same time, he has made Ashland an unusually safe, peaceful and orderly community. The small number of arrests is in startling contrast with other New Hampshire towns whose arrests often run into the hundreds. Chief Hodgdon feels that the police should keep people out of trouble rather than punish them after a misdemeanor—and that a \$10.00 fine for a small offense punishes not the man involved, but his family.

PURCHASING:

With minor exceptions, purchasing has been centralized in the town manager's office—this practice has shown many advantages: bulk orders with lower prices; immediate payment with resulting discount; the stock-piling of critical materials; and a stricter control of expenditures as related to purchases. In reply to a form letter, 33 merchants in the Ashland-Plymouth area are now giv-

ing discounts ranging up to 25% on all town purchases.

Competitive bidding has also resulted in large savings. The difference between high and low bids on the new highway truck, for example, was \$1127.49 and even the bids received from agencies handling the same truck showed a variance of more than \$300.00.

RAGWEED CONTROL:

A comprehensive ragweed and poison ivy control was conducted by the highway department during the summer. The Ashland Senior Women's Club paid for the chemicals used in this project.

SIDEWALK CONSTRUCTION:

During the past several years town meeting had appropriated various sums of money for sidewalk work. This money was never used. By 1950 it amounted to \$2500. Many of our sidewalks were in a sad state of disrepair—some impassable. During the summer and fall of 1950 sidewalks all over town were dug out from under layers of dirt and roots. About 2500 feet of sidewalks were repaved or rebuilt.

When the horse-drawn plow, used in past years, became unavailable for sidewalk plowing, a small tractor was rented on an emergency basis. Past experience indicates that the town should own and operate its own sidewalk plowing equipment.

TAXES:

Tax collecting duties were transferred to the town manager by vote of town meeting. Tax rate dropped from \$49.50 to \$49, the first decrease in eight years.

Early repayment of the tax anticipation loan resulted in a saving of \$159.72.

TOWN DUMP:

The entire dump area was cleared with a bulldozer. The road leading into the dump was widened from 10 to 30 feet.

TREE CARE:

Shade trees are one of the town's greatest natural assets, yet through the years, Ashland has done little in the way of a definite plan to protect and further the health and beauty of these trees. Last summer \$198.00 of the \$200.00 available was spent in trimming and removing the hundreds of dead limbs that were endangering power lines and public safety. The program for 1951 includes spraying, trimming, fertilizing and setting out new trees.

WATER DEPARTMENT:

During 1950 the water department added four new services and renewed three old services. Other work included the repair of a water main break; the repair of two 6-inch gate valves; cleaning the outlet of Jackson Pond with a power shovel; and clearing brush from the road into the reservoir.

Thompson Street water main extension was approved by town meeting but disapproved by the budget committee. The appropriation was disallowed by the State Tax Commission as being in excess of 10% of the total town budget.

WATER POWER:

The town of Ashland, Squam Lake Improvement Association, State Water Resources Board and local mills reached a mutually satisfactory agreement relative to the best use of our water resources.

WELFARE:

During 1950 the town distributed the following surplus commodities: 1000 pounds of potatoes, 289 pounds of cheese, 425 pounds of butter, 788 pounds of dried eggs and 850 pounds of dried milk. These commodities were allotted to those already on welfare and other marginal cases with a resulting decline in applications for grocery orders.

Truant Officer Edwin R. Robie	
Bookkeeper Gretchen Russ	

MINUTES OF THE MARCH 14, 1950, SCHOOL MEETING

In accordance with the foregoing Warrant and at the time and place designated therein, the meeting was called to order by Moderator Thomas Pryor and the articles of the Warrant read, and the following action taken thereunder:

Art. 1 To choose a Moderator for the coming year.

Action: Mr. Thomas Pryor agreed to be a candidate for re-election as Moderator, after signifying a desire to withdraw his nomination, and was declared elected by unanimous vote. The following were nominated as candidates but each declined to serve: Mrs. R. M. Whitcomb, Mrs. Louise Brock, Philip I. Morton, Herman Pearson, Wm. A. Brown, Hiram Gingras, Lawrence Lee, Mrs. Grace Crowley, Clifford Gingras, and Mrs. Roger Barney.

Art. 2 To choose a Clerk for the ensuing year.

Action: Miss Lillian M. Young was elected Clerk by unanimous vote.

Art. 3 To choose two Members of the School Board for the ensuing three years.

Action: After remarks about the eligibility of a teacher of the district and in the Supervisory Union to serve as a member of the Board and explanatory statements by Mrs. Dorothy Morton regarding her duties as Union Treasurer, nominations were made from the floor and candidates for the School Board for terms of 3 years each were made as follows, balloting being done by voting at once for two members. On the first ballot the votes cast were:

S. Francis Duffy had 100 votes, Mrs. Ruth Joyce had 115 votes; Alfred J. Puccetti had 34 votes, Fred Ogle had 24 votes, Dorothy Morton had 60 votes and Richard Gordon had 22 votes; and S. Francis Duffy and Mrs. Ruth Joyce hav-

ing a majority were declared elected to serve for the ensuing three years.

Art. 3a To choose one Member of the School Board for the ensuing two years.

Action: There was discussion on this article after the nomination of Dorothy Morton having been made and motion to close the nominations failed. The nominations were as follows:

Dorothy Morton; Homer Young, who declined; Mrs. Roger Barney, who declined; Grace Crowley, who declined; Roger Guyotte, who declined; E. J. Paquette, Richard Gordon, Helen Thomas, who declined; Alfred Puccetti, Mary Hughes, Fred R. Ogle.

On the first ballot, results were:

Dorothy Morton had 42 votes

E. J. Paquette had 56 votes

Richard Gordon had 22 votes

Alfred Puccetti had 20 votes

Mary Hughes had 9 votes

Fred R. Ogle had 23 votes

Total number cast 172 votes, Necessary for choice 87; and

on the second ballot votes cast were:

Dorothy Morton—51

E. J. Paquette—50

Richard Gordon—20

Alfred Puccetti—17

Mary Hughes—2

Fred Ogle—24

Total cast—167; 3 spoiled, necessary for a choice 84, and

On the third ballot

Dorothy Morton had 56 votes

E. J. Paquette had 76 votes

Richard Gordon had 5 votes

Alfred Puccetti had 2 votes

Mary Hughes had 0 votes

Fred Ogle had 11 votes

Total cast—150, 2 spoiled, necessary for a choice 77, and

On the 4th ballot, Fred R. Ogle, Richard Gordon, Mary Hughes and James Sargent and the nominator of Alfred Puccetti, having withdrawn their nominations, the results were

Dorothy Morton had 48 votes

E. J. Paquette had 96 votes

Total cast 144, necessary for a choice 73, and

E. J. Paquette was declared elected.

Art. 4 To choose a Treasurer for the ensuing year.

Action: Lillian M. Young was elected as Treasurer for ensuing year.

Art. 5 To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the District. Dismissed.

Art. 6 To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

Action: Mr. Herman Pearson reported on Cooperative Schools and on motion it was voted to have the School Board continue its study of Cooperative Schools and report at the next School Meeting.

Art. 7 To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

Action: On motion it was voted to have an annual audit of School accounts made by the State Tax Commission Auditing Department.

Art. 8 To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue

and the appropriation, which balance is to be raised by taxes by the town.

Action: Voted to adopt as read and in accord with budget requirements, the sum of \$70,201.99.

Art. 9 To see if the district will authorize the school board to add any unanticipated income, other than taxation, from tuition, sale of supplies, and other sources not to exceed \$6,356.75. to the general fund for support of schools and payment of statutory obligations of the district during the current fiscal year.

Action: On motion of Wm. S. Norman amending motion to adopt article as read, said amendment having carried, it was voted to authorize the school board to add any unanticipated income, other than taxation, from tuition, sale of supplies and other sources, except lunch money, not to exceed \$6,356.75, to the general fund for support of schools and payment of statutory obligations of the district during the current fiscal year.

Art. 10 To transact any other business that may legally come before the meeting.

Action: Mr. Milton Graton requested information on the purchasing procedure of the School Board to which Mr. Pearson replied—"Purchases are not usually put up for bids, but local people are asked for quotations which sometimes are accepted and sometimes not."

"In the matter of the coal, the school is bound to obtain it from the source which can supply the required fuel and in this instance is bought locally. It has been mentioned that the school bus service should come up for bids and probably it should and if it is the desire of the people, I am sure it will be done—." Mr. Graton also gave an opinion "that Members should be compensated for their expenses, to which Mr. Pearson replied, "that he was of the opinion that the members were willing to serve free gratis and had done so." There followed discussion of the mat-

ter of paying tuition for a boy in another school and the School Board invited interested parties to the next school meeting if the matter wished to be discussed, problems of discipline of a minor being unlawful to discuss at a public meeting.

Discussion of the return of the bookkeeping to Ashland; and a show-of-hands vote signified the affirmative the wish of the voters to have the same kept in Ashland and compensated for equably.

Adjournment

LILLIAN M. YOUNG, Clerk

A true record, attest:

LILLIAN M. YOUNG, Clerk

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Ashland qualified to vote in district affairs:

You are hereby notified to meet at the gymnasium in said district on the 8th day of March 1951, at 8 o'clock in the evening to act upon the following subjects:

- 1 To choose a Moderator for the coming year.
- 2 To choose a Clerk for the ensuing year.
- 3 To choose two Members of the School Board for the ensuing three years.
- 3a To choose a Member of the School Board for one year.
- 4 To choose a Treasurer for the ensuing year.
- 5 To determine and appoint the salaries of the School Board and Trant Officer, and fix the compensation of any other officers or agents of the District.
- 6 To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
- 7 To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
- 8 To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriations of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Given under our hands at said Ashland this 20th
day of February, 1951.

LAURENT J. RUELL,
JOHN A. BILODEAU,
RUTH S. JOYCE,
MARION K. MERRILL,

School Board of Ashland, N. H.

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION**

Concord, New Hampshire

August 7, 1950

Certificate of Audit

This is to certify that we have audited the accounts and records of the Ashland School District for the fiscal year ended June 30, 1950 and found them to be correctly cast and properly vouched.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, Auditor
Hugh J. Cassidy, Accountant

REPORT OF SUPERINTENDENT AND PRINCIPAL

The Public and the Schools

In spite of the terrible distractions offered by each morning newspaper, one fact remains clear: the worse the world situation becomes, the greater grow the burdens and responsibilities of the public schools. Take a few examples. If fathers have to serve in the armed forces, the school will have an increased obligation toward their children. Any teacher who had children whose fathers were overseas during the last war knows how real this increased obligation can be. If children have to be evacuated from large cities, the schools in evacuation centers will face staggering problems. If the program of civil defense goes into full operation, schools will play a large part in it. And the basic responsibility of passing on our culture from one generation to another remains a responsibility which is even more grave in times like these.

Along with wartime burdens, the schools must carry the load of teaching in normal times. We must teach the basic skills of reading, writing, and numbers to the very best of our ability. We must bring about the maximum growth of each pupil. We must build such sound characters and senses of responsibility that our graduates may face life or the draft without wanting to shirk responsibility nor give up working for self-growth. It will take the best efforts of parents, teachers, and the pupils themselves to accomplish such ends.

In Ashland the PTA is one important means of bringing about understanding and cooperation between the citizens and the schools. During the past year, through its committee on high school curriculum, its discussions on report cards and marks, and its interest in school improvement as shown in many other ways, this organization has proved most helpful.

Our School Program

In the primary grades, we are striving for mastery of reading and number facts. We believe we could do this more effectively if we had a public kindergarten and permitted each pupil to progress through the primary department at his own rate of growth instead of setting aside the work into three definite grades.

This would eliminate some of the repetitions in the work being carried on by each teacher in each grade and thus allow more concentration on various pupils' needs in each room.

In the junior and senior high school, we have raised course requirements and started a reorganization of course contents to better prepare the pupils for a successful future, be it in further schooling or seeking a job. Complete revision of the Shop Courses and prospective changes in the Commercial and Englishment Departments are examples of this.

We have excellent teachers and better materials to work with. However, learning is in terms of doing; thus what each pupil gains will depend on himself in the final analysis—no one can learn for somebody else. Work and more work guided by competent teachers, will prepare Ashland's pupils for life. We highly recommend home study for high school pupils in addition to the time spent in studying in school.

One of the most favorable signs of growth in our student body is the good sportsmanship, cooperation, and loyalty to Ashland high school, evidenced in games and at school. The Student Council has assumed its responsibility well and has proved that democracy does work best of all.

We now have quite a comprehensive testing program. Mental ability tests are given in Grades I, III, VI, IX and XII. Achievement tests are given in each grade. Tests of occupational interests and abilities are given in grades VIII and XI. When these results are put together, we have a good basis for guiding pupils in their

choices of subjects in school, as well as for planning further training and education.

Of last year's 29 graduates, 12 have gone on to further schooling, 4 have joined the Armed Forces, and 13 have gone to work. We feel sure that they will do well in their various places and be a credit to A. H. S. and this community.

The new gym has greatly increased our school facilities, and consequently, the efficiency of our physical, social and cultural education. The town as well as the school may well be proud of the gym and its effect on our community.

Improvement of Teachers in Service

It is encouraging to note the interest shown by teachers in improving their methods and keeping up to date in educational work. Another workshop, this time on the teaching of reading, was held in Meredith in November and attended by all teachers of high and elementary schools within the union. As a result of the study at this workshop many teachers are adapting their work to the needs of the individual and making use of up to date materials for teaching the sounds of the letters and the understanding of the meaning of sentences.

At the time this report is written, an extension course in "Music in the Modern School" is being given by Dean Warren K. Freeman of Boston University College of Music. Several of our teachers have enrolled as members of this course which opened in Meredith on February 5th and will close sometime in May.

State Sharing of School Costs

The question of state funds for schools is again before the legislature of New Hampshire. Some plan must soon be devised which will provide state money to help with the education of all the children in the state, and in this way be of indirect benefit to the real estate owner who is required under the present law to pay the whole bill.

As requested by the 1949 legislature, the state board has worked out a formula providing for equalization of school opportunity. Their report is necessarily limited to the problem of equalization—providing funds for districts with a large school population and low taxable valuation.

By the time of our annual district meeting, amendments to the proposed state aid bill will doubtless have been drafted which will provide some allotment of state aid funds to all districts regardless of valuation or population. Such an amendment would be of help to Ashland, which is not classified as a district in need of funds under the state board's proposed equalization formula.

Respectfully submitted,

ALMON W. BUSHNELL,

Superintendent

HOWARD R. KIMBALL, Principal

TABLE OF ATTENDANCE STATISTICS

SCHOOL CALENDAR — 1951-1952

Schools Open		Schools Close
September 5, 1951	(16 weeks)	December 21, 1951
January 2, 1952	(7 weeks)	February 15, 1952
February 25, 1952	(8 weeks)	April 18, 1952
April 28, 1952	(7 weeks)	June 13, 1952

Holidays

October 12, 1951	Columbus Day
November 22, 23, 1951	Thanksgiving
May 30, 1952	Memorial Day

Total number of school days according to above calendar is 182. The minimum allowed by State Board regulations is 180. This means that days lost due to bad weather or other causes must not exceed 2. Any days missed, in excess of 2 must be made up, probably by lengthening the school term after June 13.

Time taken during the year for institutes or attendance by teachers at educational meetings, not to exceed 8 days, need not be made up.
